## Song of the Month

"Put up your umbrella  
 When the rain comes down.  
 Wear a happy smile  
 and wipe away a frown.  
 splash in all the puddles  
 and do a little dance.  
 Rain is just the thing we need  
 for new spring plants."

## Class Focus

This month in the Little Toddler classroom, we are reading stories about spring and what happens in the spring. We are also completing coloring and painting activities related to springtime and creating flower crafts.
